

The following outlines the parts of the project that were completed by each partner. There were some tasks that both partners contributed to, and some of these are labeled as both, but others are labeled as the main person in charge of the task.

#### Layer 1

- Proposal- Justin
- Presentation- Owen

#### Layer 2

- Data Cleansing- Owen
- Exploratory Data Analysis- Justin
- Report- Both
- Presentation- Both

#### Layer 3

- Modeling Efforts- Both
- Research Paper Draft
  - Introduction- Justin
  - Data and methods- Owen
  - Results- Justin
  - Discussion- Justin
  - Conclusion- Owen
  - References- Both
- Demonstration- Both

#### Layer 4

- Paper- Same as above
- Presentation- Both
- GitHub Pages- Same as paper responsibilities
- Work Plan- Justin
